Dear Customer,

Welcome to our latest catalogue. It has been a quite a few years since we have produced a catalogue and many things have changed since then.

As of 2016 Penny & Jeremy Riddell decided to retire from Oringi and concentrate on their farming commitments in New Zealand. An opportunity that my husband (Chris) and myself (Sylvia), could not refuse.

Since stepping up it has been a few very trying years with severe drought hitting so many areas and then this year the fires which impacted large areas of our farming communities.

Chris and I have decided to take things back to the basics with this catalogue and we are concentrating on our quality waterproof gear and fantastic woolen products.

We have added Flannelette Shirts in both ½ button and full button styles with sizes from small to 5Xlarge.

We have chosen to stock the Milton brand as they were the best quality, value and lasted without shrinking or discoloring. We have also added a heavy duty polar fleece ½ zip jumper for those of you who prefer polar fleece opposed to wool. They are a great heavy weight and wash up great with no pilling.

Our catalogue is also changing with the Possum/Merino range for both ladies and men's jumpers, jackets and accessories.

Our great work jumpers are coming to an end and we are finding it very difficult to find a suitable replacement. The Sheffield 2511 in Bark is the only style and colour we have of our old style.

We will keep working on trying to find a replacement and keep you posted.

You will notice some lines are no longer in this catalogue – they were either deleted by our supplier/manufacturer or we have removed them as we work to streamline our product line. If there is something you are missing please contact us as we are here to supply you with products that you need to keep you warm and dry while working in the elements.

Orders can still be placed through the website, over the phone or the order form in the back of the catalogue.

Chris & I would like to wish you all the best in the coming year and hopefully see you at one of the field days.

What we're trying to do

By combining up-to-date technology and design with expert advice from our customers, we continually endeavour to provide comfortable protective clothing that will improve the workplace environment and maintain optimum safety and health.

Our guarantees to you

1] 31 day money back, trial guarantee -

We're so confident about our Oringi garments that we make you this offer, a 31 day, trial guarantee.

Wear it, use it, work in it. If you don't think your new Oringi rainwear is the most comfortable, lightweight, wind and waterproof garment you've ever owned simply return it to us within 31 days of purchase for a full refund.

2] The world's first, no-split seam guarantee -

Inside this catalogue there are a number of designs which sport our exclusive no-split seam guarantee. What this means is that Oringi guarantees the seams of these garments will never split. And we mean never, or your money back!

Only applies to those garments specifically carrying the no-split seam logo.

3] Our 12 month, peace of mind, rainwear warranty -

At Oringi we are very proud of the quality of our garments. Accordingly, we pledge to fix or replace any defective garment up to 12 months after the date of purchase provided the problem is deemed to have occurred during the manufacturing process.

This warranty does not cover damage or problems deemed wear and tear related by any Oringi Limited representative. Oringi Limited reserves the right to inspect all garments in relation to any warranty claim.

What's this Flexothane fabric then?

Flexothane is created by coating a stretchable knit with quality polyurethane (PU), resulting in a fabric with excellent waterproof, windproof and cold resistant properties.

This is the fabric we use for the majority of our technical rainwear.

10 reasons why Flexothane is so good.

1) It's 100% waterproof

We all know how crucial this one is! Without it we don't have rainwear. All Flexothane garments are 100% waterproof. Every section of fabric is rigorously tested to ensure it meets the highest standard before being cut for garment production. All seams are high frequency welded, not taped, ensuring water tightness at the time of manufacture.

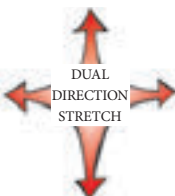

2) It's 100% windproof

Flexothane is unique in its composition. The high tech polyurethane coating on a polyamide backing makes it impossible for wind to get through!

3) It's lightweight

Flexothane garments are extremely light. In fact they're up to 50% lighter than conventional rainwear like Oilskin or PVC. Now you'll be free to move around in your wet weather gear with ease and comfort.

4) It's 150% stretchable

Not only is Flexothane lightweight but it also stretches up to an amazing 150% both horizontally and vertically, without damage! This allows the body to bend and move without restriction. The elasticity also means Flexothane is very soft to touch and will remain supple even in extreme cold.

5) It's noiseless

Because Flexothane is made of polyurethane it makes virtually no noise as you move about. An advantage if you work around animals.

6) It's air permeable

Flexothane is water vapour permeable which means it allows a certain amount of body vapour to disperse through the fabric. However a 100% waterproof fabric like Flexothane has a low breathability rating but, combined with the other great features, the coat will still be more comfortable than the old PVC type garments.

7) It has a high tear resistance

The special loop structure of Flexothane's backing fabric is designed to limit tearing. If you get snagged on something, Flexothane's amazing "stretch" will increase your reaction time before the fabric tears. If you do get a hole, the same loop structure will help prevent the tear from getting any larger. What's more, we also have a repair kit (pg 29) specially made for Flexothane so you can fix any little accidents at home.

8) It's machine washable

It is essential that you wash your Flexothane garment regularly. Just put your garment in the washing machine on a regular, warm cycle, add powder and drip dry! Your garment will come out as clean as a whistle and you'll find it will stay waterproof for a whole lot longer!

9) It's hygienic

Flexothane is antifungal treated during manufacture to help prevent mould and odour formation.

10) It's easy on nature

Flexothane doesn't contain chloride so when your garment wears out you won't harm the environment when you dispose of it.

"Well I just wanted to let you know that my new Oringi coat got tested out to the max on my week away horse riding. It was fantastic, we got absolutely dumped on and many others were very wet (even the riders in drizabones)... but not me I was nice and dry underneath. I had many enquiries about my coat so I think you might get some orders. In fact I'll be ordering another for my uncle in Portland, he was most impressed. Thanks again for your prompt and friendly service."

POSSUM & MERINO KNITWEAR

Possum fur is made up of hollow fibres which trap air inside, providing an insulation barrier against the cold. The fur is also very light and soft so spinning it with merino wool produces a beautiful warm yarn. The resulting garments are luxurious to wear, winter or summer, and Oringi is pleased to offer you a small range of this knitwear. (These garments have been imported from New Zealand where necessity has developed this use for possum fur, a by-product of an urgently-required eradication programme.)

Possum Facts

Fact 1.

New Zealand's brushtail possum was an introduced species in the 1850's for a source of food, fibre and fur pelts.

Fact 2.

With the increase in numbers of the possum their affect on NZ forests and native wildlife and the possibility of spreading bovine tuberculosis to the dairy and deer farming industries became apparent and with no natural predators to reduce numbersthey became a pest.

Colour: Charcoal

\$180.00 inc GST Sizes S-M-L-XL-XXL

Possum Facts

Fact 3.

Possom fur is an exceptionally fine hollow fibre which adds to its insulation properties, like that of a polar bear.

Being a natural fibre, it also draws moisture away from the body to the centre of the fibre.

Fact 4.

Blended with wool and other natural fibres it creates an exceptionally light, soft, and warm product. It is estimated that possum fur is 8% warmer and 14% lighter than wool and so a booming industry begins.

Below is a range of chest and waist measurements to help you fine tune your height/weight sizing from above. These measurements are taken over normal garments (jeans, shirts etc). If your measurements fit into the range shown next to a particular size, then that's your size. If you fall in between we suggest going up a size. I.E. If your chest measurement over your clothes is 109cm then you're a large size. If you're 114cm you'd best go for an XL jacket. The same applies to the waist measurements. Confused? Call us! 1800 674 640.

ORINGI LIMITED Terms of Supply of Goods and Services (Aust)

THE FOLLOWING TERMS AND CONDITIONS APPLY TO CREDIT FACILITIES AND ALL PURCHASES OF GOODS AND SERVICES FROM ORINGI LIMITED ("WE" OR "US").

1. Terms and Acceptance of Orders:

- We will supply goods and services to you on these terms only unless we agree otherwise in writing.
- We may however amend these terms from time to time.
- We are under no obligation to accept all or any of your orders.
- Your orders must be on our standard order forms.
- We may cancel any of your orders at any time without incurring any liability to you even if we have previously accepted your order.
- We do not supply our goods on an "approval" basis.

2. Ownership:

- We will remain the owner of the goods you purchase from us
- Until all sums you owe us, for any reason, are paid in full, and
- Even if you incorporate the goods with other products
- You authorise us to enter premises where the goods are located (or we believe them to be located) and take possession of and/or remove them while we remain the owner.
- If you wish to resell any goods before you become the owner, you may do so only if the sale is genuine and made in the ordinary course of your business. You must then promptly account to us for the proceeds of the sale, and will hold the proceeds in trust for us until you do so.

3. Payment:

- You must pay the price and our other charges (Cl. 8), on the 20th of the month following the month of delivery.
- We may, however, require you to pay sooner, possibly before the goods are sent to you.

4. Purchase on Extended Credit:

If we agree in writing to give you extended credit

- Clause 3 will not apply.
- We will charge you interest (see below).
- Interest is calculated on a daily basis.
- In this clause "interest" means the published overdraft rate of the National Australia Bank for overdraft accounts in excess of \$100,000.00.

5. Overdue Payments:

- You must pay default interest on overdue payments, calculated on a daily basis from the date payment is due until the date we receive payment.
- In this clause default interest means the published overdraft rate of the National Australia Bank for overdraft accounts in excess of \$100,000.00 plus 2% per annum.
- You must immediately pay all costs (including legal costs) incurred by us in collecting or attempting to collect your overdue payments.
- Nothing in this Clause affects our other rights against you.

6. Our Rights:

If a default event occurs then:

- We will be entitled to cancel all or part of your orders which have not been delivered in full; and
- All amounts you owe us whether due for payment or not, will be immediately due and payable; and
- We may reclaim goods in your possession or control and dispose of them for our own benefit as we think fit.

For the purposes of this clause a "default event" occurs if:

- A payment by you is overdue; or
- In our reasonable opinion you are unlikely to be able to immediately pay all your debts;

7. Insurance

We will be entitled to any insurance payments that you become entitled to if:

- Goods are lost, destroyed or damaged while in your possession or under your control if;
- We own the goods as at the date of the loss, destruction or damage.
- Our entitlement is however limited to the amount (if any) that you still owe us for goods and/or services supplied by us.

8. Delivery:

- Delivery will be made to the delivery address shown on your order form.
- We may make delivery to any address we consider appropriate if no delivery is included on your order form.
- You must accept the goods as soon as you receive them.
- Even if the goods are not what you ordered:
- You must unless
- You advise us within 7 days of delivery that they are not as ordered.

9. Risk:

Risk in the goods will pass to you on delivery even though we may remain the owner of them.

10. Warranties:

- We warrant that the goods supplied are free from defects.
- All other guarantees, warranties and representations in relation to the goods

or their supply are excluded except to the extent that we cannot lawfully exclude them.

- Goods advertised by reference to pictures might not be identical to the pictures when sold.

11. Consumer Protection Legislation

When you purchase goods or services from us:

- If you are a consumer for the purposes of the Trade Practices Act 1974 or any other applicable consumer legislation, or
- If you are a consumer for such purposes, but the goods or services are not of a kind ordinarily acquired for personal, domestic, or household use of consumption
- Then our liability will be limited in accordance with clause 12 below.
- All other warranties, conditions and representations (express or implied) are excluded in accordance with clause 10 above.

12. Limitation of Liability:

- We will not be liable for any indirect or consequential loss incurred by you as the result of any act or omission by us.
- We will not be liable to you.
- For failure to deliver, or failure to deliver by a specified date, or
- For loss caused by anything which is beyond our reasonable control.
- Our liability to you is otherwise limited to the value of the goods and/or services supplied by us and associated with your claim.
- We may, at our option and as appropriate, either
- Replace defective goods, or
- Pay you the price (excluding GST) you paid us for the goods and/or services.
- We will not however accept responsibility for any defective goods unless.
- You notify us of the defect within 14 days of your receiving the goods, and
- You allow us to fully investigate your claim.
- This clause will not apply to the extent that the law prohibits us from limiting our liability.

13. Order Cancellation:

- We will not accept cancellation of an order unless
- the goods are part of our normally held stock and we receive written notice of cancellation before the goods are loaded for delivery; or
- if the goods do not form part of our normally held stock, we receive written notice of cancellation before we order the goods ourselves from a third party.

14. Waiver:

- If we delay or do not exercise any of our rights or remedies that will not be a waiver of the right or remedy.
- Any waiver or consent we give you must be in writing and will be effective only in the specific instance and for the specific purpose for which it is given.

15. Severability:

- If part of this Agreement is deemed to be invalid, illegal or unenforceable the remaining provisions will remain in full force and effect.

16. Governing Law:

- These terms will be governed by Victorian law and you agree to submit to the jurisdiction of the Victorian Courts.
- The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded.

17. Dispute Resolution:

If a dispute arises between both of us

- Both of us must first discuss the dispute and, in good faith, try and settle it between ourselves, and
- If both of us cannot resolve the dispute both of us must then refer it to mediation by a LEADR qualified person before taking any other action
- This clause will not apply to an application by either of us for urgent interlocutory relief.

PRIVACY ACT 1998 (CMTH)

1. You authorise

- a. us to obtain from persons you nominate all information we reasonably require to assess your credit worthiness, and
- b. those persons to release that information.

2. You are under no obligation to give us, or authorise the release of, the information we have asked for but if you fail to do so we may refuse to allow you credit.

3. We will use your personal information for purposes relating to your dealings with us and our business activities. These include among other things:

- Processing your application for credit to purchase our goods and services;
- Addressing any feedback or complaints you may have;
- Answering any queries you may have; and
- Any purposes for which it was requested and directly related purposes, and developing, improving and marketing our products and services.

You authorise us to release your personal information to third parties for those purposes.

4. All of your personal information will be held by us at Factory 2/17 Hunter Road, Healesville Vic 3777, Australia. Where it can be inspected and corrected by you.

Oringi Pledge

Your satisfaction is very important to us. We will happily exchange or refund your money if any article purchased from us is not to your complete satisfaction within 31 days from the date of invoice.

All Oringi garments are closely scrutinised during manufacture to ensure the highest standard of quality. Should you receive a garment you believe has a manufacturing defect, please contact us to arrange free return delivery of the item in question for evaluation. Should evaluation reveal a manufacturing defect, the garment will be replaced. This arrangement does not apply in situations deemed as normal garment wear and tear.

Back Orders

Occasionally a product you order may be temporarily out of stock. Please accept our apologies in advance if this should occur. More often than not a new production run will be due in store within a matter of weeks. We will advise you of its expected arrival date and you will be given the opportunity of placing this product on back order.

Your Privacy

Under the Privacy Act 1993 we provide you the right to see and/ or correct your personal information. We do not sell our mailing list, nor do we disclose private information to any other person or company. Occasionally we may contact you to obtain further information or to offer other products or services that we feel may interest you. If you prefer not to be contacted, please let us know and we will remove your details from our records.

Returns

When returning a garment to exchange, i.e. to change colour or size, customers are not required to pay any further postage costs on outgoing parcels concerned with that specific order. Please also include a copy of your invoice number to clarify origin of sender.

COME AND SEE US

Oringi Protection Wear will be attending the following field day events throughout the year. Field days offer us a great opportunity to meet our customers and give you the chance to come along and view any new additions to our range.
