Dear Customer,

Welcome to the new Oringi catalogue.

You will find the usual favourites; we are working on new lines of PROTECTION WEAR we hope to bring you next year. As always, all that you see inside has been designed and selected to ensure that you, our valued customer, receives a garment of the highest standard in wearability, comfort and protection. Together with our assurance of quality we offer the same friendly and efficient service that you have learnt to expect from Oringi - why would you buy anywhere else?

We would like to introduce you to a new garment, the KARAKA RIDING JACKET (see page 16).

Our customer feedback expressed a real need for a waterproof jacket that can be used for competition horse riding. This jacket will be excellent for this and general day to day outdoor work. Also smart enough to wear to town.

Also due to popular demand are our mittens (see page 12). Great for those cold mornings on the bike, they come lined or unlined. Made from the same material as your jacket and leggings.

You asked... we delivered.

Chris and Gen thank-you for your continuing support and custom.

We are still based at Bay View on the outskirts of Napier and welcome visitors.

Please do give us a ring and come and see us and our product. Just ring before hand on 0800 469 423.

Our European supplier has a huge range of high-visibility styles, food industry garments and freezer wear, - in fact any clothing related to industry so, if you are having difficulty finding the workwear that your business needs, please contact us to discuss your requirements.....Oringi.....0800 469 423.....we are here to help you!

Kind regards Gen and Chris.

What's this Flexothane fabric then?

Flexothane is a revolutionary combination of quality polyurethane (PU) coating on a stretchable knitted fabric which has excellent waterproof, wind and cold resistant properties.

This is the fabric we use for the majority of our technical rainwear.

10 reasons why Flexothane is so good.

1) It's 100% waterproof

We all know how crucial this one is! Without it we don't have rainwear. All Flexothane garments are 100% waterproof. Every section of fabric is rigorously tested to ensure it meets the highest standard before being cut for garment production. All seams are high frequency welded, not taped, it ensures water tightness at the time of manufacture.

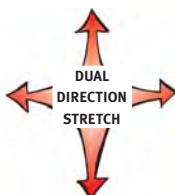

2) It's 100% windproof

Flexothane is unique in its composition. Its high tech polyurethane coating on a polyamide backing makes it impossible for wind to get through!

3) It's super lightweight

Flexothane garments are extremely lightweight. In fact they're up to 50% lighter than conventional rainwear like Oilskin and are lighter than any other polyurethane garment found on the market. Finally, you'll be free to move around in your wet weather gear with ease and comfort.

4) It's 150% streeeeetchable

Not only is Flexothane lightweight it also stretches up to an amazing 150% both horizontally and vertically without damage! You can imagine what an advantage this offers the wearer over more conventional fabrics. The elasticity also means Flexothane is very soft to touch and will remain supple even in extreme cold.

5) It's noiseless

Because Flexothane is made of polyurethane it makes virtually no noise as you move about. A handy thing if you work around animals. You know the hideous noise your old PVC gear makes when you're streaking around doing your chores? With an Oringi garment you won't sound like a locomotive coming down the paddock!

6) It's air permeable

Does it breathe? Yes, it does. Flexothane is water vapour permeable so it is much more comfortable than your crusty old oilskin and many other P.U. garments. Oringi uses a quality knit backing to enhance your comfort.

7) It has a high tear resistance

The special loop structure of Flexothane's backing fabric is designed to help limit tearing. If you get snagged on something Flexothane's awesome "stretch" will increase your reaction time before the fabric tears. If you do get a hole the same nifty loop structure will help prevent the tear from getting any larger. What's more, we also have a beaut little repair kit (pg 22) specially made for Flexothane so you can fix up any little accidents at home.

8) It's machine washable

Actually, **it is essential you wash your Flexothane garment regularly**. Just pop your garment in the washing machine on a gentle, warm cycle, add powder and drip dry **inside out**! Your garment will come out as clean as a whistle and you'll find it will stay waterproof for a whole lot longer!

9) It's hygienic

Flexothane is anti-fungal treated during manufacture to help stop mould and odour formation.

10) It's easy on nature

Flexothane doesn't contain chloride so when your garment wears out you're going easy on the environment when you dispose of it.

"This is to confirm my order for another pair of Stratford Coveralls ... my first pair are much envied by the yachties and rescue boat crews around all the local yacht clubs. I am amazed at the comfort and flexibility of the material, being dry and warm on the coldest, wettest days and also protected from the sun on the hot days. I just have to have another pair for my crew when operating the rubber-dingy rescue boats".

Below is a range of chest and waist measurements to help you fine tune your height/weight sizing from above. These measurements are taken over normal garments (jeans, shirts etc). If your measurements fit into the range shown next to a particular size, then that's your size. If you fall in between we suggest going up a size. I.E. If your chest measurement over your clothes is 109cm then you're a large size. If you're 114cm you'd best go for an XL jacket. The same applies to the waist measurements. Confused? Call us! 0800 469 423.

What we're trying to do

By coupling superior technology and innovation with the expert advice of our customers, we continually endeavour to provide protective clothing that can improve the work place environment and therefore our lifestyles.

Our guarantees to you

1] 31 day money back, trial guarantee -

We're so confident in our Oringi garments that we make you this offer, a 31 day, money back, trial guarantee. Wear it, use it, work in it. If you don't find your new Oringi rainwear the most comfortable, lightweight, wind and waterproof garment you've ever owned simply return it to us within 31 days of purchase for a complete, no kicking or screaming, Oringi refund.

2] The world's first, no-split seam guarantee -

Inside this catalogue there are a number of work trouser designs which sport our exclusive, no-split seam guarantee. What this means is that Oringi guarantees the seams of these garments will never split! And we mean never, or your money back!

Only applies to those garments specifically carrying the no-split seam logo.

3] Our 12 month, peace of mind, rainwear warranty -

At Oringi we're very proud of the quality of our workmanship. That's why we offer you a complete 12 month warranty in relationship to any issue arising from a specific manufacturing related defect. Oringi pledges to fix or replace any defective garment up to 12 months after the date of purchase.

This warranty does not cover damage or problems deemed wear and tear related by any Oringi Limited representative. Oringi Limited reserves the right to inspect all garments in relation to any warranty claim.

It is essential your ORINGI wear is washed regularly. Machine wash, normal powder, gentle cycle, drip dry inside out thoroughly.

ORINGI LIMITED Terms of Supply of Goods and Services (NZ)

THE FOLLOWING TERMS AND CONDITIONS APPLY TO CREDIT FACILITIES AND ALL PURCHASES OF GOODS AND SERVICES FROM ORINGI LIMITED ("WE" OR "US").

1. Terms and Acceptance of Orders:

- We will supply goods and services to you on these terms only unless we agree otherwise in writing.
- We may however amend these terms from time to time.
- We are under no obligation to accept all or any of your orders.
- Your orders must be on our standard order forms.
- We may cancel any of your orders at any time without incurring any liability to you even if we have previously accepted your order.
- We do not supply our goods on an "approval" basis.

2. Ownership:

- We will remain the owner of the goods you purchase from us
- Until all sums you owe us, for any reason, are paid in full, and
- Even if you incorporate the goods with other products
- You authorise us to enter premises where the goods are located (or we believe them to be located) and take possession of and/or remove them while we remain the owner.
- If you wish to resell any goods before you become the owner, you may do so only if the sale is genuine and made in the ordinary course of your business. You must then promptly account to us for the proceeds of the sale, and will hold the proceeds in trust for us until you do so.

3. Payment:

- You must pay the price and our other charges (Cl. 8), on the 20th of the month following the month of delivery.
- We may, however, require you to pay sooner, possibly before the goods are sent to you.

4. Purchase on Extended Credit:

If we agree in writing to give you extended credit

- Clause 3 will not apply.
- We will charge you interest at a rate fixed by us.
- We may change the rate from time to time.
- We will adjust your repayment instalments when we change the rate so that what you originally owed us is paid in full over the same period.
- Your adjusted repayment instalments and new rate of interest will be shown on your next monthly statement.

5. Overdue Payments:

- You must pay default interest on overdue payments, at our then current default interest rate calculated from the date payment is due until the date we receive payment.
- We may review our default rate from time to time and we will advise you of any change on your monthly statement.
- You must immediately pay all costs (including legal costs) incurred by us in collecting or attempting to collect your overdue payments.
- Nothing in this Clause affects our other rights against you.

6. Our Rights:

If a default event occurs then:

- we will be entitled to cancel all or part of your orders which have not been delivered in full; and
- all amounts you owe us whether due for payment or not, will be immediately due and payable; and
- we may reclaim goods in your possession or control and dispose of them for our own benefit as we think fit.

For the purposes of this clause a "default event" occurs if:

- a payment by you is overdue; or
- in our opinion you are unlikely to be able to immediately pay all your debts;

7. Insurance

We will be entitled to any insurance payments that you become entitled to if:

- Goods are lost, destroyed or damaged while in your possession or under your control if;
- we own the goods as at the date of the loss, destruction or damage.
- Our entitlement is however limited to the amount (if any) that you still owe us for goods and/or services supplied by us.

8. Delivery:

- Delivery will be made to the delivery address shown on your order form. We may make delivery to any address we consider appropriate if no delivery is included on your order form.

9. Risk:

Risk in the goods will pass to you on delivery even though we may remain the owner of them.

10. Warranties:

- We warrant that the goods supplied are free from defects.
- All other guarantees, warranties and representations in relation to the goods or their supply are excluded except to the extent that we cannot lawfully exclude them.
- Goods advertised by reference to pictures might not be identical to the pictures when sold.

11. Consumer Guarantees Act 1993 (the "Act"):

- When you purchase goods or services from us for business purposes, then
- The guarantees and rights expressed or implied in the Consumer Guarantees Act 1993 in your favour do not apply to the goods or services

12. Limitation of Liability:

- We will not be liable for any indirect or consequential loss incurred by you as the result of any act or omission by us.
- We will not be liable to you
- For failure to deliver, or failure to deliver by a specified date, or
- For loss caused by anything which is beyond our reasonable control.
- Our liability to you is otherwise limited to the value of the goods and/or services supplied by us and associated with your claim.
- We may, at our option and as appropriate, either
- Replace defective goods, or
- Pay you the price (excluding GST) you paid us for the goods and/or services
- We will not however accept responsibility for any defective goods unless
- You notify us of the defect within 14 days of your receiving the goods, and
- You allow us to fully investigate your claim
- This clause will not apply to the extent that the law prohibits us from limiting our liability.

13. Order Cancellation:

- We will not accept cancellation of an order unless
- the goods are part of our normally held stock and we receive written notice of cancellation before the goods are loaded for delivery; or
- if the goods do not form part of our normally held stock, we receive written notice of cancellation before we order the goods ourselves from a third party.

14. Waiver:

- If we delay or do not exercise any of our rights or remedies that will not be a waiver of the right or remedy.
- Any waiver or consent we give you must be in writing and will be effective only in the specific instance and for the specific purpose for which it is given.

15. Severability:

- If part of this Agreement is deemed to be invalid, illegal or unenforceable the remaining provisions will remain in full force and effect.

16. Governing Law:

- These terms will be governed by New Zealand law and you agree to submit to the jurisdiction of the New Zealand Courts.
- The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded.

17. Dispute Resolution:

If a dispute arises between both of us

- Both of us must first discuss the dispute and, in good faith, try and settle it between ourselves, and
- If both of us cannot resolve the dispute both of us must then refer it to mediation by a LEADR qualified person before taking any other action
- This clause will not apply to an application by either of us for urgent interlocutory relief.

PRIVACY ACT 1993

1. You authorise

- us to obtain from persons you nominate all information we reasonably require to assess your credit worthiness, and
- those persons to release that information.

2. You are under no obligation to give us, or authorise the release of, the information we have asked for but if you fail to do so we may refuse to allow you credit.

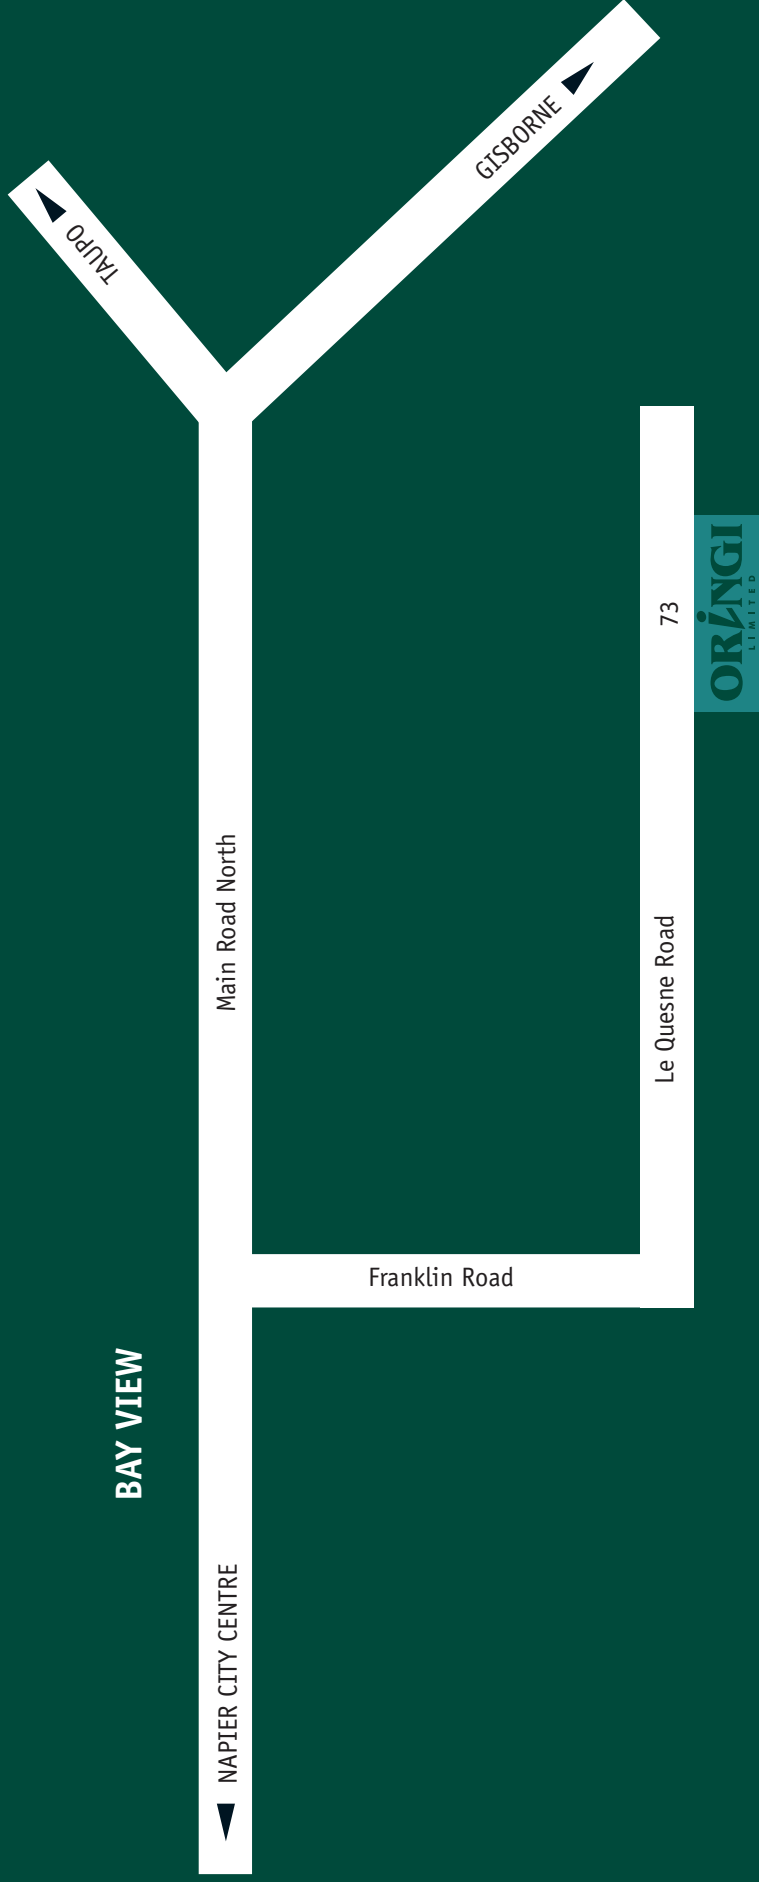

3. We will use your personal information for purposes relating to your dealings with us and our marketing. You authorise us to release your personal information to third parties for those purposes.

4. All of your personal information will be held by us at 45c Parkhouse Road, Christchurch, New Zealand where it can be inspected and corrected by you.
